NEW CHURCH PROJECT- CONSTRUCTION UPDATE:

The sanctuary subfloor (Predella) has been constructed. A large crucifix, removed from the Nativity of the Blessed Virgin Mary Catholic church in Belgique, MO, is being donated by a parishioner. It will be hung next week above the Altar of Sacrifice. Brick on the main entrance and bell tower will continue over the next few weeks. Large trim pieces both inside and outside the church are currently being installed. Paving the parking lot area off Adams Street will continue this week. Elevator installation is continuing. A grease trap for the Fellowship Hall Kitchen was installed this past week.

RECTORY CONSTRUCTION

The statue of Mary, salvaged from the exterior wall of the old church choir room, will be set in the north wall of the rectory in the near future. Interior rough ins continue. Fire Sprinkler system is ready to be installed.

FINANCES

September bills will total approximately \$1 million, so our loan balance will be close to \$1 million by September 30. **Any early payments on pledges or extra one-time payments will be especially helpful at this time and greatly appreciated!**

Help Needed on the Rectory!

We are needing someone to tape and finish the sheet rock. If you can help or know someone who can, please call Jerry Stoverink at 573-450-1770.

Twenty-Seventh Sunday in Ordinary Time

*"The stone that the builders rejected has become the cornerstone."
(Matthew 21:42)*

Jesus, the cornerstone, calls us to build His Church. In holy matrimony, couples become cornerstones of love and faith for a family. Have you talked to your children about their vocation? Pray with them and walk alongside them as they discern how God may be calling them to build up God's Church.
