Church Building Update

Updated architectural renderings of the new church are mounted in the vestibule. The high altar acquired by Bishop Rice from a closed church in St. Louis - St. Ann's/Visitation Parish - is solid marble. It was given to us at no cost to the parish. The Altar of Sacrifice, Ambo, Cantor Stand, and Communion Rail are all being donated in solid marble as well. Flooring will be ceramic tile in the sanctuary and the main body of the church (Nave) and is shown in the color and patterns currently planned. The large entry area (Narthex) flooring will be a high grade, easily maintained carpet tile. All of the wood for the pews is being donated as an in-kind gift. The pews are patterned after the Newman Center design.
