Next week, we will take up the Catholic Home Missions Appeal. Today, over 40% of dioceses in the United States and its territories are unable to fund the essential pastoral work their communities need. Your support of this appeal helps them meet these faith formation and sacramental needs. Please prayerfully consider how you can support this appeal. More information can be found at www.usccb.org/home-missions.

Easter is more than just one day on the calendar. It is an entire season, 50 days of rejoicing in the Resurrection of Our Lord and Savior, Jesus Christ. You can always count on Covenant Network to present the very best in Catholic programming to keep you focused. Tune in to **94.3 FM** on the radio. Listen on the Covenant Network app on your phone or on our website: OurCatholicRadio.org.

- Five Ways to a Stronger Family:
 1. Chow down together - eat as a family. Make sure you bless your food first!
 2. Manage media - use parental controls and filters; set limits. Discuss usage with your children.
 3. Make your kids work - chores help them develop responsibility and make them feel a part of the family.
 4. Pray together - be consistent; do what works for your family; stick with it!
 5. Put parents first - set time aside; go on dates. When the marriage is strong, the family is strong. (from the Archdiocese of Denver)

As we pray for their return, especially needed will be new weekly adorers for night-time and Friday, Saturday, and Sunday hours. Some hours are vacant, but some hourly adorers need partners. Also, many thanks to all who committed to continuing weekly adoration at St Mary's of Cape and St Augustine of Kelso during this pandemic. A huge thank you to Fr. Allan Saunders and Fr. Michael Casteel for diligently providing the care, space, and times. We are forever grateful!
