

# Chelsea McDowell

is going to Jinja, Uganda for the next 2 years to serve as a missionary

THE  
AMAZIMA  
SCHOOL

#Courageous

at Amazima

## What is Chelsea & Amazima Ministries doing?

Providing a **Christ-centered classical education**, allowing children to learn their God-given talents. Typical learning environments in Uganda use rote memorization and are fear & punishment driven

- Building a **special education** support system and team for the primary & secondary schools (1st - 12th)

Offering basic **medical care and food** to students

**Vocational training/farming** outreach program for families

The core of every program offered is **discipleship**.

We believe in the significant transformation across the community that leads to an eternal impact (knowing Jesus!)

By visiting my website you can:

- find **Amazima's website** that is full of pictures, videos, and more details on the ministry's work
- **My blog** where I share my personal journey as I move to Uganda and learn how to live & work there
- **My donation website** to directly support my basic needs to live in Uganda

## Ways to partner with Chelsea

1. Pray daily for safety, the students & His guidance
2. Support financially being a monthly partner or one time gift
3. Stay connected through my website & sign up by email for newsletters to learn about the school, hear the stories, and how your resources are supporting God's mission in Uganda
4. Share with others the way God is working through Amazima ministry, Chelsea's story, and how others can come alongside in partnerships
