for tickets and more

Dear IC Parish Family,

It's that time of year again! Preparations for the 34th Annual Immaculate Conception Spring Fling Dinner Auction are well underway. This event is the largest fundraising event of the year for Immaculate Conception School. With the money raised at the event it helps to keep tuition costs down. In addition, this year we are raising money to upgrade staff computers and projectors which is estimated at \$14,000. In order for the event to be successful, we depend on donations from generous people like you. Every donation is needed and greatly appreciated, so please prayerfully consider donating to the Spring Fling Dinner Auction this year.

## How to donate

### Cash Donation

Make a monetary donation. IC families will be collecting monetary donations after Mass this weekend, February 19th and 20th. We will also have a donation bucket at the raffle table for the next few weekends. Donations will be used to purchase a larger item for the live auction.

You can also make a cash sponsorship at <https://bit.ly/SpringFlingDonate>

### Gift Card Donation

You can purchase gift cards using the IC Bucks program and donate them to our dinner auction. We prefer gift cards from Bucheits and Ace Hardware so we can combine them to purchase larger items for our live auction. See Kelly at the parish office to purchase and donate.

### Item Donation

Donate an item or a complete basket of your choice. Please make sure it is a **NEW** item.

- a. Please drop off donations at the church or school office. You can also have them shipped to 300 S. Hope St., Jackson, MO 63755.
- b. **Most importantly, attach a note (you can put it in an envelope) that has your name and purchase price on it. This will help us give you credit for the donation and help with data entry when determining basket value.**

**we appreciate your support and participation!**
